

Art in the BURBS

Local artists helping student artists

The Foundation for Tigard Tualatin Schools

Thank you so much for joining us during our online show. We take pride in curating a diverse list of vendors, and we really appreciate your continued support of Art in the Burbs and our vendors.

Below are a few tips for how to make this event a lot of fun! Since this is new for all of us, we thought maybe everyone could use a little help navigating. **HAVE FUN!!**

Tips For Attending:

- **RSVP on Facebook!** We will have a [Facebook Event](#) where we will be posting details and updates! Make sure you RSVP so you can stay informed!
- **Plan ahead!** Look over the [artist](#) and [food vendor list](#) to see who is participating in this year's online show. Make a list of shops you'd like to revisit later.
- **Handmade goods!** A lot of handmade goods that are one-of-a-kind. If you see something you like, don't pass it up!
- **Invite your friends!** Use Zoom or Google Hangouts and shop the online show together! Enjoy a yummy beverage or a delicious lunch together, make it like a real outing.
- **Make a shopping list!** Use the online show to get all your gift shopping taken care of! Think about upcoming holidays, birthdays, anniversaries, etc.
- **Engage!** We encourage you to ask questions as you shop! Everyone is craving some human connection so reach out, engage and meet new people!
- **Custom orders!** Some artists are open to custom orders. You can chat/message them directly to discuss.
- **Support our community!** Remember that our vendors rely on the income from our show to survive! With so many shows and festivals cancelled, this year has negatively impacted our artist community and now is the time to send them some extra love and support! Even if you don't have the funds to financially support them you can share the event and their websites to help promote them!
- **Have fun!** We miss getting to see you and what you are buying when you come to our show! Please share your experience with us by tagging us on **Instagram** ([@artintheburbsoregon](#)) and using our hashtags on your posts - #artintheburbsoregon #aitbonlineshow #shopfromhome #FTTS.
